HOME LOGO LINK: Click to navigate to main Dayforce home page.

4

Change Home Favorite Links

You can customize which features to display on your Home screen. You can also change the display order by dragging features to your desired position.

Time Away List, Forms, Learning, Performance, Careers, Earnings

Attendance (Near at a Glance), Benefits, Calendar, Employee TimeSheet, Profile

Buttons: Save, Restore to Default, Cancel

Select **EDIT** to customize your Favorites. Drag and drop icons from the lower section to the top section.

5

VIEW PAY DETAILS: Click to view details in Dayforce for next pay period or select **SHOW** to see details on the Hub page.

6

LINK ICONS: A link icon indicates a link to a page outside of the Dayforce site.

7

READ THE NEWSLETTER: The Kurt Connection is now digital only. You can download a printable copy with this link or just read the digital version by clicking this link.
